

## [Report on Enrolment of Street Kids to schools](#)

[By Azeem Christopher - Project Manager](#)

AWARD has initiated its community awareness program to sensitize rural communities on the importance of education. The program has been initiated in 3 Districts of Punjab Province (Faisalabad, Toba Tek Singh and Muzaffargarh). The rural communities in Pakistan has the highest percentage of school drop outs where girls education is not very much welcomed and appreciated. Through its programs , AWARD is trying to convince and motivate the rural communities to enrol their children in the nearest primary schools. AWARD has also involved local social and religious leadership to encourage the communities to send their children to school , also the local govt. representatives are visiting the communities regularly in order to register the children for the next terms in school. AWARD is proudly sharing pictures of the kids enrolled in Faisalabad . The parents were happy and they thanked AWARD for its support. AWARD wishes to extend these programs in as many target areas as it can and therefore it requires support and donations from its supporters.

**About Project Reports**

*Project Reports on GlobalGiving are posted directly to globalgiving.org by Project Leaders as they are completed, generally every 3-4 months. To protect the integrity of these documents, GlobalGiving does not alter them; therefore you may find some language or formatting issues.*

*If you donate to this project or have donated to this project, you will get an e-mail when this project posts a report. You can also subscribe for reports via e-mail without donating.*

### **Get Reports via Email**

We'll only email you new reports and updates about this project.
